

# MOHAMMAD AGHABALAZADEH

Industrial Technology Maker & Entrepreneur  
Founder of SamoMachine | CEO, Mashin Sazan Sanat Boomi  
Urmia, Iran

## PROFILE

Industrial technology maker focused on industrial design, technical drafting, manufacturing, assembly, testing and development of wood CNC machines and 3D printers. Founder of SamoMachine since 2018 and active in Urmia, Iran.

## EXPERIENCE

### Founder & Managing Director - SamoMachine | 2018-present

Leads product development across industrial design, technical drawings, machine manufacturing, prototype testing and delivery. Public product evidence includes Techno, Samo Plus, Jahan Plus and the Prusa 3D printer.

### Chief Executive Officer - Mashin Sazan Sanat Boomi | 2026-present

Executive responsibility in a private joint-stock company legally separate from SamoMachine. The owner confirms the information; supporting registration records remain private.

## SELECTED WORK

### Techno wood CNC

Workshop-oriented CNC for cutting, engraving, drilling and 3D machining of compatible non-metal materials.

### Samo Plus desktop CNC

Desktop CNC with a stated 80 x 130 cm working area for projects requiring a longer work envelope.

### Jahan Plus industrial CNC

Industrial-class wood CNC developed for higher working capacity and larger production environments.

### Prusa 3D printer

3D-printer work covering assembly, calibration, testing and prototype refinement.

## CORE CAPABILITIES

Industrial design  
Design for manufacturing  
Technical drafting  
Machine manufacturing  
Assembly & commissioning  
Testing & development  
Wood CNC  
3D printing

## STATED EDUCATION

BSc-level Manufacturing Engineering, Tabatabaei Technical College. The owner confirms the information; the degree record remains private.

## PUBLIC EVIDENCE

IRNA coverage of a related 3D-printer project  
Academic commendation dated 23 July 2022  
Official SamoMachine product pages and workshop videos

## NAME GUIDE

Primary Latin name:  
Mohammad Aghabalazadeh

Primary Persian name is available on the official website and press kit.
